## Frequently Asked Questions (FAQs)

**Q1: My Blue Hawk lawn sweeper isn't picking up leaves effectively. What should I do?**

**A1:** First, consult the troubleshooting section of your manual. Common causes include a clogged hopper, dull blades (if applicable), incorrect height adjustment, or damaged brushes. Check for obstructions, clean the hopper, and ensure the blades are sharp (or brushes are in good condition). Adjust the height as needed. If the problem persists, contact Blue Hawk customer support.

**Q2: Where can I find replacement parts for my Blue Hawk lawn sweeper?**

**A2:** Many retailers that sell Blue Hawk products also offer replacement parts. You can also check the Blue Hawk website for authorized dealers or contact their customer service directly. Having your model number readily available will expedite the process.

**Q3: How often should I lubricate the moving parts of my Blue Hawk lawn sweeper?**

**A3:** The frequency of lubrication is specified in your owners manual. Generally, it's recommended to lubricate moving parts before and after each season or after a certain number of uses. Always use the appropriate lubricant recommended by the manufacturer.

**Q4: My Blue Hawk lawn sweeper is making a strange noise. What could be the cause?**

**A4:** A strange noise could indicate a number of issues, from loose components to a worn belt. Refer to the troubleshooting section of your manual. If you can't identify the cause, contact Blue Hawk customer support or a qualified repair technician.

**Q5: Can I use my Blue Hawk lawn sweeper on wet leaves?**

**A5:** While some models are designed for damp conditions, it's generally recommended to avoid using your sweeper on excessively wet leaves, as this can lead to clogging and damage. Consult your manual for specific recommendations.

**Q6: How do I dispose of my old Blue Hawk lawn sweeper?**

**A6:** Check with your local waste disposal authority regarding the proper disposal of your old sweeper. Some municipalities have designated areas for recycling or disposing of large appliances.

**Q7: What is the warranty on my Blue Hawk lawn sweeper?**

**A7:** The warranty details are clearly outlined in your owner's manual. It will specify the duration and conditions of the warranty.

**Q8: My Blue Hawk lawn sweeper is difficult to maneuver. What should I do?**

**A8:** Check your manual for recommendations on adjusting the wheels or the handle height. Ensure that the wheels are properly inflated and not obstructed by debris. If the problem persists, it could indicate a mechanical issue requiring professional attention.
